9:45 a.m - 10:30 a.m in Fr. Friend Hall**

Join us as we continue six Sundays with St. Thomas Aquinas. Learn why the Church calls Aquinas the Angelic Doctor. Find out why virtually all modern popes (including Pope John Paul II and Pope Benedict XVI) hold up Aquinas as a model of reason and faith. Discover how science and faith are compatible. (This presentation is revised and expanded from last year.)

Respect Life Group:

The St. Joseph Respect Life Ministry needs you! The responsibility of the Respect Life Group is to instill a value and respect of human life from conception to natural death and every point in between. St. Joseph's pro-life activities consist of prayer, both public & private; education of our parishioners and our community at large; and action (See below) Many voices are needed if we are to win this fight for our right to life! 30,000 Rosaries for Life:

A primary task for the pro-life movement is to draw society into deeper reflection about the mystery, wonder and value of human life. We need to promote an alternative to the technological outlook which seeks to control and manipulate birth and death, to reduce nature to "matter", to elevate having over being, to depersonalize the body and sexuality, and to replace the criterion of personal dignity with the criterion of efficiency, functionality and usefulness. Our task is to call our brothers and sisters' hearts and minds to wonder and awe. ~Cardinal George Pell, Archbishop of Sydney, "Ascent or Descent? Wonder or Horror? Mystery of Life Grand Prix Award Address," January 17, 2008

Please pray for all those who work zealously to promote the God-given right of every human to live with dignity - from conception to natural death. Please place your "Rosaries for Life" count for this week in the basket located under the image of Our Lady Of Guadalupe in the vestibule of the church. Contact Crystal Stein, 864-221-6242 or crystalstein@aol.com for more information.
