**Only 1 session remaining!**

Join us as we continue six Sundays with St. Thomas Aquinas. Learn why the Church calls Aquinas the Angelic Doctor. Find out why virtually all modern popes (including Pope John Paul II and Pope Benedict XVI) hold up Aquinas as a model of reason and faith. Understand his five proofs for the existence of God, and why it is unreasonable NOT to believe in God. Pray some of his beautiful prayers, which the Church holds dear. Discover how science and faith are compatible.

### 30,000 Rosaries for Life:

*"Children are the major richness and the most precious good of a family...For this reason, it is necessary to help all people to be aware that the intrinsic evil of the crime of abortion, which attacks human life at its beginning, is also an aggression against society itself." - (Pope Benedict XVI)*

Thank you for coming together spiritually and prayerfully to end the assaults on the vulnerable. Let us always celebrate the precious gift of life, given to us all by our loving God. Please turn in your final 30,000 Rosaries for Life rosary count in the basket located in the back of the church or send to [rosariesforlife@gmail.com](mailto:rosariesforlife@gmail.com)
